What is a blog post?

Posted by Dima - 2020-11-17 18:52:05.595800

Blog posts allow you and your business to publish insights, thoughts, and stories on your website about any topic. They can help you boost traffic, brand awareness, credibility, conversions, and revenue.

Organize your content in an outline

Posted by Dima - 2020-11-17 18:52:05.595800

Sometimes, blog posts can have an overwhelming amount of information — for the reader and the writer. The trick is to organize the info in a way so readers aren't intimidated by length or amount of content. This organization can take multiple forms — sections, lists, tips — whatever's most appropriate. But it must be organized!
